

Where to Publish Orthopedic Case Reports

Publishing orthopedic case reports is essential for sharing rare clinical findings, challenging diagnoses, innovative surgical techniques, and unique patient outcomes. If you are looking for a reliable, reputable, and fast-responding journal to publish your orthopedic case reports, the **Orthopedic Surgery Case Reports Journal** is the ideal platform.

Why Publish in Orthopedic Surgery Case Reports Journal?

1. Dedicated to Orthopedic Case-Based Learning

Our journal focuses exclusively on:

Trauma and fracture management

Spine surgery

Joint replacement and arthroscopy

Sports injuries

Pediatric orthopedics

Hand & foot surgery

Musculoskeletal oncology

Rare orthopedic disorders

This ensures your case report reaches the exact audience interested in your work.

2. Fast and Transparent Peer Review

We provide:

Quick editorial screening

Expert orthopedic reviewers

Constructive comments

Timely decision-making

This helps authors improve their work and achieve faster publication.

3. DOI Assignment & Long-Term Accessibility

Every accepted article receives:

A unique Digital Object Identifier (DOI)

Permanent online access

Easy discoverability by researchers and clinicians

4. Global Visibility

Your case report is accessible to a worldwide audience of orthopedic surgeons, researchers, and trainees.

5. Support for Authors

We provide assistance with:

Manuscript formatting

Plagiarism check and removal support

Ethical reporting guidelines

Image handling and case report structure

Whether you are a first-time author or an experienced clinician, our editorial team ensures a smooth submission experience.

Online Submission

Authors are requested to submit their manuscripts using our Online Manuscript Submission Portal: <https://www.orthosurgerycasereports.org/submit.html> (or) may also submit via email to: editor@orthosurgerycasereports.org.
